“WELCOME”
The “Blue Print” Volume # 7 Issue # 1
This is District Governor Jean C. Roybal first District Bulletin.
Looking forward to an exciting great year, we hope you enjoy reading about it in “Happenings” in District 4-C2
My Feelings As I Near My Start As Your District Governor in July, 2011

This is the beginning of a new and wonderful year for me. I would like to take this opportunity to thank all of you who voted for me and to all of you who have been so supportive of me over the years. In particular I want to give a special thank you to my two advisors, Lion Wes Boardman, who had me on the brink of tears, and to my Cabinet Secretary, Lion PDG John Posey, for finishing me off with a good days cry!

I feel very fortunate to be surrounded by so many skilled and willing Cabinet members, including First Vice District Governor Ben Johnson, Second Vice District Governor Don Webb, Cabinet Treasurer Sandra Stevens, the Past District Governors, The Blue Print® editor Andy Erickson and the wonderful group of Regional and Zone Chairmen who will supervise and encourage the activities, and hopefully the growth, of the Clubs in our District as well as passing on new ideas that are developed at the Club level.

Last, but not least, let me also thank our new PDG Kertice for all she has taught me about new beginnings and how to initiate new ideas. I do hope to introduce a few new ideas and I will certainly carry on those that were introduced so successfully by PDG Kertice last year.

I will try to remember and I hope all the Lions in our District will remember that we do what we do because we want to! We are volunteers, not hired help. We see needs in our local communities and we HAVE FUN helping to meet those needs. That fun is an important part of who we are and it helps us to succeed when the going sometimes gets tough. We don’t always see those we help, but we can visualize the people whose lives are improved by the glasses and hearing aids we provide and by the eye and ear surgeries we make possible. We can feel the joy of those whose lives are spared from river blindness or from other natural disasters, as in Haiti or New Orleans. It is FUN to make these happy events possible and we should never forget it!

The Governor’s Visitation Schedule, after several revisions, is nearly finalized. A letter will be mailed out to each Club prior to the scheduled Governors visit. The Club will also receive a telephone call from the Cabinet Secretary or Regional Chairman one week prior to the visit. It is of utmost importance to advise the Governor or Cabinet Secretary as early as possible if there is any conflict with the schedule.

Hope to see all of you at the August District Conference.
DG Jean

**Still collecting...but more than you think!**

To support our Club’s signature project Students Without Permanent Housing, we’re collecting new t-shirts during May. These can be plain white undershirts, or colored printed regular t-shirts...whatever you’d like.

We need items for K-12 students, sizes youth through adult.

But we collect more than just items for our homeless students.

In addition to our periodic food drives, we collect food throughout the year for the Food Bank of Contra Costa & Solano.

And, as most Lions club do, we collect used prescription eyeglasses, including ‘readers.’

Please bring your donation items to an upcoming Club meeting.

Can’t attend a meeting? We’ve got a new drop-off site: the State Farm office at 131 Peabody Road, Vacaville. Our newest Lion, Victoria Barros-Ortiz, has generously offered to collect items at her office.

*If you know of a student in need, or would like to make a monetary donation, please contact Lion Adina at 707-372-1823 or via email at adina@problemsolved.com*

LETTER FROM THE EDITOR

I was asked. How come some of the clubs in the district get their news in the bulletin every month?

The answer. Information you read in the bulletin each month is sent to the Editor by E-mail and by the clubs that send out a Club Bulletin each month (some send out a bulletin after each of their meetings) These are the clubs that make the “Blue Print” interesting, and they are the “Life’s Blood” of the District Newsletter.

If you wish to see your club news in the bulletin, send a copy to the District Editor. Lionandy32@yahoo.com
Hi!

At the last meeting of the Stockholm Lions Club on Tuesday, June 7th we had an up-date on what we had raised over the pasted year, top of the list was the Stockholm Food Festival, June 1 - 6 - 1001, 189 kr (5 to a US dollar). At the Food Festival we sold all our lottery tickets and toy bears and give away over 200 cruise vouchers for cabins for four on Viking Line; putting out and bring in the pillars, display boards for the month of May, 24,000 kr and restoring a few of the pictures that had been damaged 1,000 kr.

Eye-Glasses Collection - best club in the district.

In passing a club in our district with three members were left in a will, 400,00 kr.

Wish I could be with you at the Lions Convention in Seattle, my First home in American 1961-63. Give my best regards to fellow Lion stamp collectors. Hope to come to the next convention when it comes to Europe.

Have a GREAT summer.

Warm greeting from a hot Stockholm.

THE ROLE OF A LIONS / LIONESS CLUB NEWSLETTER

Like a community newspaper, the club newsletter serves a number of purposes. Among its most important services, it chronicles the news of the period, keeps membership apprised of the club’s events and happenings, and is the club’s official ‘Paper of Record’. Club newsletters are strong tools of communication for idea sharing that can be used to strengthen the bond between clubs involved in club twinning; each club’s editor sending articles for display in the twin’s newsletter. The club newsletter becomes a record of the club’s service history and can serve as a research document for Lions seeking background on projects of the past. It becomes extremely important when its editions pre-date the last kept notes of the club secretary. Editors of club newsletters should maintain and preserve their past publications and have them available when questions arise about past endeavors.

FIRST VICE DISTRICT GOVERNOR
Benjamin Anderson

Hello fellow Lions, Lioness, and Leos
This past year has been flying by, and full of exciting things. I have enjoyed meeting new faces and seeing the old again.

Well it’s time to start a new year. Our District Governor Elect Jean has her cabinet in place and ready to go. We have our jobs cut out for us this year as a district and of them is to let more people know who we are and what we do. I have started making an extra effort to wear my Lions pen on collar when I leave the house. It has worked well to start a conversation with strangers and to get others to inquired what the pen is for. It has open the door to discuss Lion-ism without me sounding like a salesman. I invite you all to join me and wear your Lions Pen as often as you can. I’m proud to be a Lion.

THE SECRETARY’S CORNER

Welcome to all the Lions of District 4-C2. The coming year will be an exciting year for Lionism in 4-C2. It will be a year in which clubs build upon past successes and help our organization continue as the number one non-governmental service organization in the world.

The district cabinet officers, the governor, vice governors, secretary, treasurer, region and zone chairs, are available to assist you during the coming year. If you need help, please feel free to contact us. At the start of any journey, it is a good practice to review some of the necessary essentials needed from our clubs to keep our organization functioning in a highly efficient manner. As this year’s cabinet secretary, you will see periodic articles in the Blue Print entitled The Secretary’s Corner, discussing with you pertinent district information.

Since there are always questions about the Monthly Membership Report, dues, and training, this month’s discussion will deal with these vital areas.

THE MONTHLY MEMBERSHIP REPORT (MMR) AND ACTIVITY REPORT

The secretary of each club is responsible for submitting a Monthly Membership Report (MMR) and a monthly activity report. The reports can be filed online through the international WEB site or can be filed by paper through the mail. **If the report is filed online, it must be filed by the end of the current month. If the MMR report is filed by mail, it must be filed by the 20th of each month.** A copy of the filed report is to be mailed to DG Jean Roybal at 2046 Feliz Road, Novato, CA 94945 or e-mailed to jeanroybal@aol.com. A copy is also to be sent to Cabinet Secretary John Posey at 10 Maybeck Street, Novato, CA 94949, or e-mailed to jdpme@yahoo.com. **LCI prefers that the filing be through the WEB.**

DUES

I. LIONS CLUB INTERNATIONAL

Each club will receive Semi Annual Per Capita billing on July 1 and January 1 from LCI. **LCI dues do not include multiple or district dues.** The amount your club will be billed is based on the membership statistics shown on the international records as of June 30 and December 31. Full six months credit for dropped members after the Semi Annual Per Capita billing will be received provided the MMR reaches international no later than July 31 and/or January 31. International dues are currently $39.00 annually and $19.50 for family members. The dues are payable within 15 days of receipt and are considered delinquent after 60 days. If a club fails to pay within 120 days, the club will be placed on status quo, which could cause your club to lose insurance coverage and eventually its charter.

There is a resolution to be voted upon at the 2011 International Convention in Seattle, Washington, to increase the dues to $20.50 per member semi-annually starting July of 2012 and $21.50 semi-annually starting July 2013. Family members will pay one half this amount. The total increase will be $4.00 over a two-year period. The resolution must pass by a 50% vote.

II. MULTIPLE DISTRICT 4 AND DISTRICT 4-C2 DUES

Each club will receive a semi-annual billing from Multiple District 4 (MD-4), on or about August 1 and February 1 based upon the club membership as of June 30 and December 31. **These are dues separate and in addition to LCI dues.** The current annual dues for MD-4 are $14.00 and $9.50 for 4-C2. After MD-4 receives the dues, a check is forwarded to the district for the district’s portion of the dues. One half of the dues are due with each billing.
Please see that your clubs pay these dues promptly for MD-4 and 4-C2 use these monies to operate their respective districts. Each year our sitting DG looses about $1,000.00 in uncollected dues because certain clubs are tardy in paying their dues. The uncollected money, money arriving after the DG’s term ends, goes into the administrative reserve account; thus, the DG has to plan on a short fall each year in administering the district. So, please pay your dues on time.

TRAINING

There will be training for club presidents, secretaries, and treasurers at the afternoon session of the cabinet meeting on Saturday, August 13th. The training is open to all interested Lions. Mark your calendar and plan on attending to gain some valuable insights into these important club positions.

See you at the August 12th and 13th cabinet meeting at the Courtyard by Marriott in Fairfield. Come and share with fellow Lions throughout 4-C2.

Yours in Lionism
PDG/Cabinet Secretary John Posey

ADVERTIZEMENTS

A word or two about the ADS in the Blue Print.

QUESTION: Some have said, how come we need all these ADS, they sure take up a lot of pages.

ANSWER: We need these Sponsors to finance the Blue Print and other communications.

QUESTION: Why are some of these ADS so big, they take a whole page.

ANSWER: Our Sponsors pay $100.00 for a FULL PAGE.

QUESTION: How come you make the BUSINESS CARDS so big.

ANSWER: Business Card font is small so it can fit on the 3 1/2" x 2" card. To place the original size in the bulletin would make it hard to read and the Sponsors pay to get their message across.

ANY QUESTIONS, CONTACT:  PDG Barry Fredenburg.  ADS Chairman.

REDWOOD EMPIRE LIONS BREAKFAST CLUB

On May 5th, at our first evening meeting we were happy to have Lion Marlin induct our newest Lion, Sharon Mitchell. Her sponsor is Lion Connie. “Welcome” Lion Sharon to the most fun Lions Club in District 4-C2.

SANTA ROSA HOST LIONS

We welcome our newest member, Lion Jeremy Wilson, a transferee from Valley of the Moon Lions Club. Be sure to introduce yourselves to him and make him feel at home.
